COMMUNIQUE # 12 – AUSTRALIAN 49ER CHAMPIONSHIPS

30th August 2011

Dear Participant,

To assist MNAs and athletes in the 49er class with planning of training and in preparation for the Perth 2011 ISAF Sailing World Championships we enclose below information regarding the Australian 49er Championships held at Jervoise Bay Sailing Club from the 24th to the 27th of November 2011.

This event is organised by the Australian 49er Association in conjunction with the Western Australian 49er Association prior to and not as part of the Perth 2011 ISAF Sailing World Championships.

To ensure team members are fully informed leading into the Perth 2011 ISAF Sailing World Championships we ask MNA's to please forward all information from this and any previous Communiqué's to your teams members. MNA Communiqué's can also be found on our website at www.perth2011.com

Please do not hesitate to contact Carlyne Bush carolyne.bush@perth2011.com if you have any further questions.

Yours sincerely,

John Longley AM
Event Director
Perth 2011 ISAF Sailing World Championships

Western Australian 49er Association

24th August 2011

Attention 49er Teams.

The Australian 49er Association in conjunction with the Western Australian 49er Association will be holding the Australian 49er Championships at Jervoise Bay Sailing Club from the 24th to the 27th of November 2011.

Jervoise Bay Sailing Club is located at Woodman's Point only a few kilometres south of Fremantle Sailing Club and is adjacent to Owen Course, which is one of the course areas used for the Perth 2011 ISAF Sailing World Championships.

Teams that are based out of Fremantle Sailing Club or other locations will still be able to compete in the regatta as provisions will be made for those not located at Jervoise Bay Sailing Club.

Schedule of racing is as follows;

24th – Briefing 5pm – 6pm JBSC

25th – 2 races (pm)

26th – 4 races (am-pm)

27th – 4 races (am-pm)

27th – Presentations 1900 FSC

The regatta is designed as a 'pre-worlds' regatta and will give all teams quality racing experience in the same waters as used for the world championship event.

The race management team that will conduct the 49er event racing during the Perth 2011 ISAF Sailing World Championships will be conducting racing for the Australian Championships

This will be a great event to prepare for the Perth 2011 ISAF Sailing World Championships. If you would like more information regarding the Australian 49er Championships please direct your enquiries to mattjahn@hotmail.com
