

Perth 2011

ISAF Sailing World Championships

Water closures and restrictions — 3rd - 18th December 2011

LEGEND

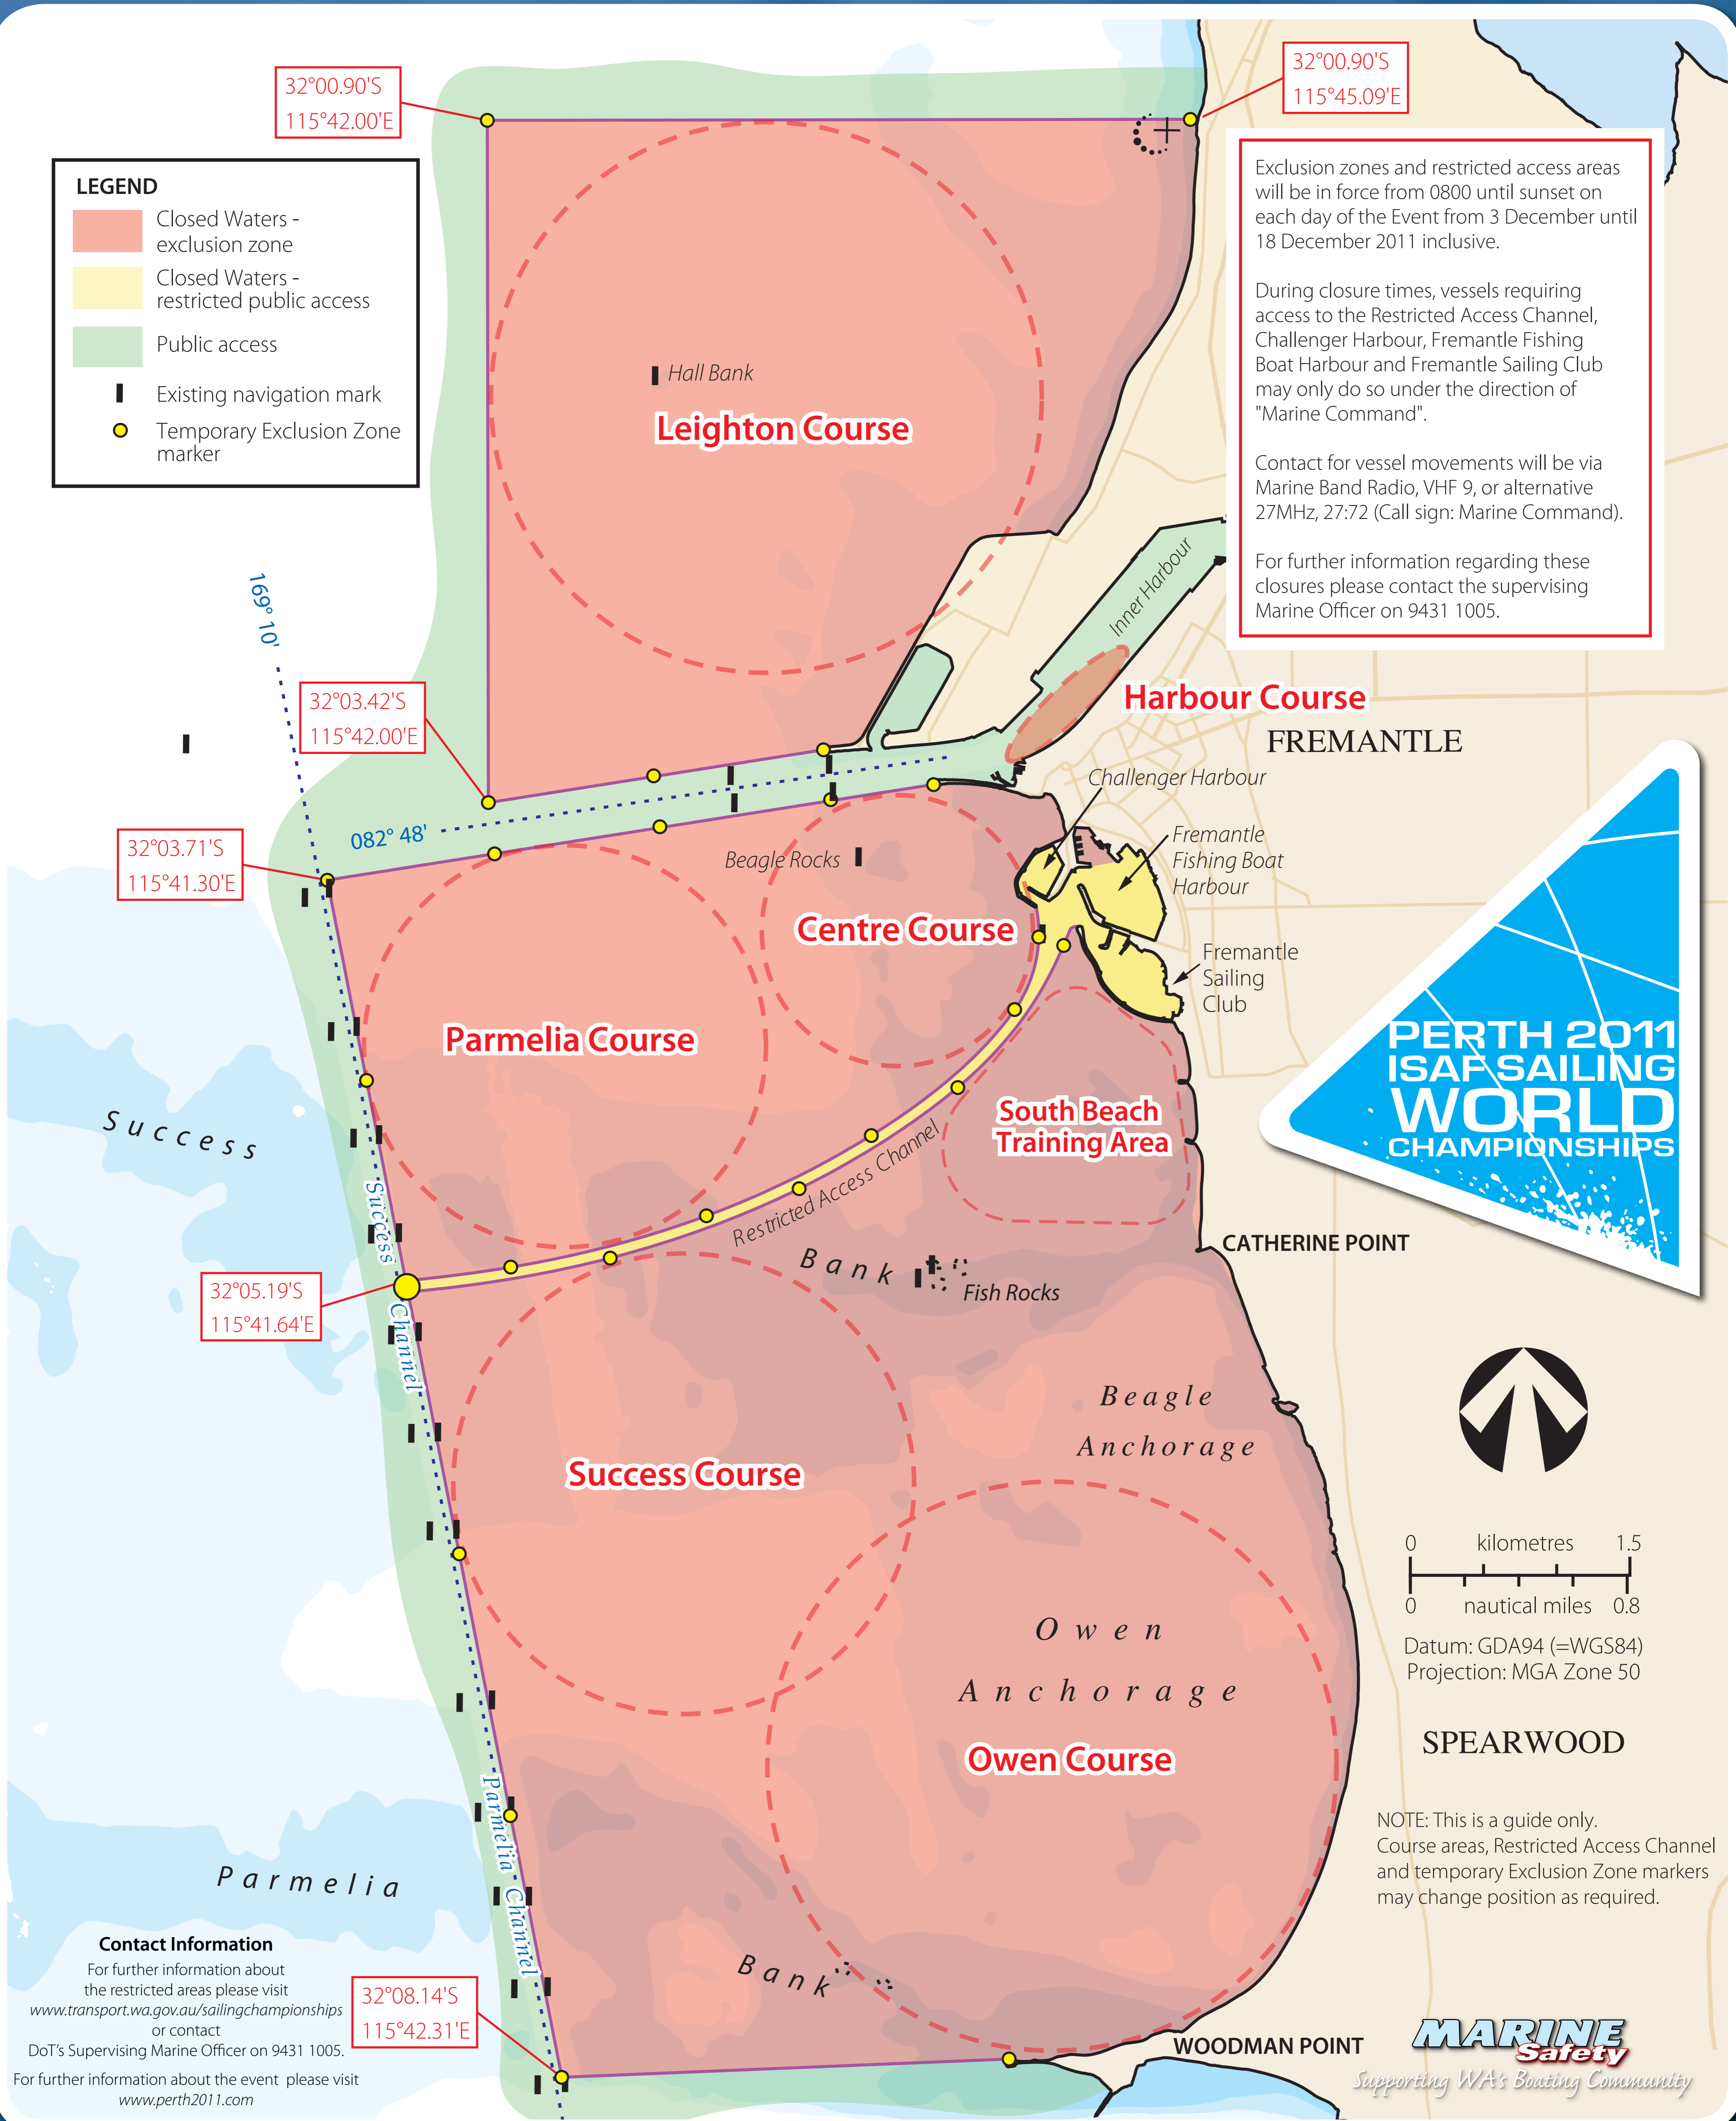

- Closed Waters - exclusion zone
- Closed Waters - restricted public access
- Public access
- Existing navigation mark
- Temporary Exclusion Zone marker

Exclusion zones and restricted access areas will be in force from 0800 until sunset on each day of the Event from 3 December until 18 December 2011 inclusive.

During closure times, vessels requiring access to the Restricted Access Channel, Challenger Harbour, Fremantle Fishing Boat Harbour and Fremantle Sailing Club may only do so under the direction of "Marine Command".

Contact for vessel movements will be via Marine Band Radio, VHF 9, or alternative 27MHz, 27:72 (Call sign: Marine Command).

For further information regarding these closures please contact the supervising Marine Officer on 9431 1005.

0 kilometres 1.5
0 nautical miles 0.8
Datum: GDA94 (=WGS84)
Projection: MGA Zone 50

SPEARWOOD

NOTE: This is a guide only. Course areas, Restricted Access Channel and temporary Exclusion Zone markers may change position as required.
