COMMUNIQUE # 23 – MAINSAIL FLAGS - SUPERSEDES COMMUNIQUE #17

18TH November 2011

Dear Participant,

Due to restricted timing we have arranged for a local Perth based supplier (NSigns) of Mainsail flags to the same specifications as Grapefruit Graphics.

Mainsail Flags can now be ordered from N Signs on the following order form.

As stated in Perth 2011 ISAF Sailing World Championships Notice of Race 2.3 and Equipment Inspection Regulations (EIR) 2.11, boats shall display national flags on both sides of the mainsails.

Please refer to EIR Addendum A for the location of the flags on the mainsails.

This Communiqué # 23 supersedes Communiqué #17.

Communiqués can be found on the Perth 2011 website at www.perth2011.com

Please do not hesitate to contact Carolyn Bush carolyn.bush@perth2011.com if you have any further questions.

Yours sincerely,
