

DISCLAIMER FOR COMPETITORS

By registering as a competitor in Perth 2011 ISAF Sailing World Championships (**the Event**), you agree that you are entirely responsible for your own safety, whether afloat or ashore, and nothing reduces this responsibility. It is for you to decide whether the boat that you compete in is fit and whether you are competent to sail in the conditions. Nothing done by Western Australia 2011 Pty Ltd (**WA 2011**) or the **Associated Entities** or **Associated Persons** (defined below) can reduce your personal responsibility.

In signing this disclaimer, you agree that:

- you are competent to sail and compete in the Event;
- there are risks of accident, injury and death associated with competing in the Event, and the conduct of the Event in open seas means that you may be remote from assistance and exposed to increased risks of vessel movements, adverse weather conditions, and attacks by marine predators;
- you are aware of and accept all of the risks associated with the Event and compete entirely at your own risk;
- you release WA 2011 and the Associated Entities and Associated Persons from all liability for your death, personal injury, psychological trauma, loss or damage (including property damage) however arising from your participation in or attendance at the Event, except to the extent prohibited by law.

Associated Entities includes WA 2011, International Sailing Federation Limited, ISAF Event Management Limited, Yachting Australia Incorporated, Tourism Western Australia, the State Government of Western Australia, the Commonwealth Government of Australia and any promoters, sponsors, organisations, land owners and lessees involved with the event and all participants in the Event.

Associated Persons includes all servants, officials, volunteers, representatives, directors, shareholders and agents of WA 2011 and of the Associated Entities.

I accept and agree the contents of this disclaimer.
